Warning about fraudulent offers of admission and scholarships

York University is aware that fraudulent third parties are misrepresenting themselves as agents, staff, or officers of the University and extending fraudulent offers of admission and scholarships to students. Protect yourself by understanding how York University does and does not communicate with students.

The York Advantage

“

When I first came to the university, I knew I liked art, but I didn't really know what I wanted to do with it. York has really helped me pinpoint what it is I like to do, what I'm good at and what I can say with it.

— Colin Arthurs (he/him), 5th year Visual Arts-Studio
