Study Options

International Admissions

As an international student, your decision to study away from home is a big one. At York, we will provide you with the opportunities and supports to create your big ideas that will make an impact on the world. We have programs that span the arts, engineering, education, business, health, life sciences, the environment, languages, cultures and international studies.

Transfer to York

Whether you transfer as a mature student, directly from another postsecondary institution or come back to school after a period away, you'll find your fit at York. We're proud to offer multiple pathways for those wishing to enhance their studies with further university education.

Non-Degree Studies

Have you already completed an undergraduate degree at York but would like to continue taking courses here? Apply for Non-Degree Status and you can still enrol in undergraduate courses.

Graduate Studies

Find your footing in a community of like-minded learners pushing the boundaries of knowledge to make excellence and equity matter in the wider world. Whether you love research or are looking for a competitive professional edge, we have options for you to explore.

Part-Time Studies

We strive to make our courses accessible to everyone through daytime-only, afternoon, evening, online and weekend programs, as well as part-time programs/courses. At York, we recognize your individual needs and provide alternatives to support you. Our varied study options will enable you to reach your goals, your way.

Return to York

If you are returning to York to complete your degree and you did not enrol in courses in the last fall/winter session, then you must reactivate your record.

Study abroad

York International is here to help you gain valuable international experience and enrich your education.

Continuing Education

Continuing education courses, programs or organized learning experiences are designed to serve the needs of people already in the workforce.

Enrolment & Academic Services

Enrol in courses

Pick courses and plan your schedule now! Find out when you can enrol so you will be ready to go when your enrolment slot opens.

Online Services

Check for available self-serve tools and resources on My Online Services. Get what you need, from wherever you are, at almost any time of the day.

Program Requirements

The Academic Calendar contains the specific requirements of each degree, diploma or certificate offered by York University. In addition, the Calendar contains University-wide rules and regulations as well as the rules and regulations of each Faculty.

Academic Advising

Take advantage of the support offered to you by the Academic Advisors at York University. Advising helps you to make informed and thoughtful decisions about your academic pathway as you progress through your program.

York's RED Zone

York's RED Zone is a program to support student transition into York University. We provide programming and orientation, in-person and online support, and connect students to key resources.

[YU START](#)

YU START is a New Student Transition Program designed to support you as you make your way into and through your first Year of York University.

Financial Services

[Scholarships, Awards & Bursaries](#)

Learn about and search for awards, scholarships, prizes and bursaries offered at York University.

[Student Financial Profile](#)

The Student Financial Profile is a multi-purpose online application form that is used to apply for University financial supports including scholarships, awards, bursaries and on-campus employment programs such as Work/Study.

[OSAP](#)

OSAP information is aimed primarily at full-time York University degree students applying for OSAP aid, but we also have helpful information for certificate students, exchange students and non-degree students.

Health & Wellbeing

Mental Health Resources

York University aims to promote a healthy, inclusive and supportive environment that fosters mental health and well-being among members of the York community.

Counselling Services

All counsellors at Student Counselling & Development are registered clinicians who have experience working with a diverse student population.

Wellness Hub

The Wellness Hub is a central point of all health and wellness services and workshops on-campus.

Accessibility Accommodations

Student Accessibility Services provides academic accommodation and support to students with disabilities in accordance with the Ontario Human Rights Commission's Policy on accessible education for students with disabilities and York University Senate Policy on Academic Accommodation for Students with Disabilities.

Clubs at York

York University is home to more than 350 student clubs and organizations that fall under various categories including Academic, Advocacy, Charitable, Environmental, Faith-based, Hobby, Political, Professional and Sports.

York International

The International Student & Scholar Services Team support international student retention and success by offering expert non-academic programs and services, and by fostering a dynamic global community.

Learning Skills

Looking for ways to manage your time, study and learn more effectively, keep up with readings and course work, and get the most out of your studies? Let Learning Skills Services help you achieve your academic goals!

THE CENTRE for
Sexual Violence Response,
Support & Education

WE'RE HERE FOR YOU.

The Centre

At the Centre, our work is driven by our community's needs. Survivors and all those affected by sexual violence will be provided with compassionate services, dignity, privacy and respect.
